SOCIETY REPORTS.

American Ophthalmological Society, ... 7, 142,
Ophthalmological Section of the American Medical Association, 3-4, 73
Ophthalmological Society of Heidelberg, . . . 11, 262

SUBJECTS OF THE ORIGINAL ARTICLES.

A

	No.	Page.
Abortion for the Albuminuric Retinitis of Pregnancy,	V-VI	111
Amblyopia Alcoholica,	V-VI	91
Anæsthesia of the Retina,	I	9
Astigmatism, Notes of Three Cases of Progressive	VII	133
Astigmatism, Spasmodic Myopic; on the Application of Cylindrical Glasses	VIII	187
Astigmatism Myopic, on the Application of Cylindrical Glasses	X	211
Astigmatism, of Low Degree, Why it should be Fitted with Different Lenses for the Near Point and for Distant Vision	X	219

	No.	Page
C		
Cataract, Senile, A Report of 27 consecutive Cases Operated by the Von Graefe Linear Extraction -	I	15
Celloidine, the New Material for Embedding Specimens for Microscopic Section-Cutting. Its Method of Use and its Advantages, - - - -	III–IV	68
Choroiditis, A Case of, following Typhoid Fever -	X	222
Contributions, Clinical, to the Study of Retro-bulbar Affections of the Optic Nerves - - - -	III–IV	62
Cyst of the Ciliary Body, A Case of - - - -	III–IV	68
E		
Exenteratio sive Evisceratio Bulbi, - - - -	I	1
Eye Clinic, - - - - - - - - -	V–VI	102
F		
Foreign Body, Extraction of, from the Vitreous with an Electro-Magnet - - - - - -	VIII	186
G		
Glaucoma Absolutum, A Case of, in which the Enucleation of an Eye was followed within 36 Hours by an Attack of Acute Glaucoma in the Fellow Eye	VIII	190
Glaucoma, Cases of, in which an Iridectomy was performed upon Both Eyes at the Same Sitting -	VIII	165
Glaucoma, Cases of, Operated upon by C. R. Agnew, M. D. - - - - - - - - -	XII	
Glaucoma, Operations for, Occurring in the Practice of C. R. Agnew, M. D. - - - - - -	XI	239
Glaucoma Produced by Atropia - - - - -	I	8
Glaucoma, Eserine Sulphate in - - - - -	XI	250
H		
Hydrogen, Peroxide of - - - - - -	V–VI	98
Hæmorrhage, A Case of Retinal, Apparently due to Simple Anæmia, with Remarks - - - -	II	31
I		
Intra-ocular Tension, On the Pulsating Variation of, as Measured by the Manometer - - - -	VII	137
J		
Jequirity, On the Inspergation of Powdered, in Cases of Trachoma, - - - - - - - -	XI	257
L		
Lachrymal Gland, A Case of Spindle-Celled Sarcoma of	XI	201
M		
Miscellanea from Practice, - - - -	II	34

	No.	Page
O		
Ophthalmia, Catarrhal, Pink-Eye - - -	V-VI	108
Orbit, Melanotic Sarcoma of, Removed 10 Years after Enucleation of the Eye-ball Containing a Pigmented Growth - - - - - - -	V-VI	118
P		
Paralysis of the Oculo-motors, Congenital, Complete, Movements of the Irides and the Accommodation being Intact - - - - - - -	IX	196
R		
Removal, On Operations for the Partial or Total, of the Eye-ball - - - - - - -	III-IV	51
T		
Tabetic Atrophy, Was It? - - - - - -	XI	254
Transplantation, A Case of Two Skin Flaps without Pedicle - - - - - - - -	X	215

SUBJECTS AND AUTHORS OF THE TRANSLATED ARTICLES.

A Case of Hæmorrhagic Distension of the Dura Mater Sheath of the Optic Nerve. By J. Hirschberg and A. Birnbacher, - - - - - - -	III-IV	80
Answer to a Criticism by Professor Manz, Freiburg, i. B., On a Previous Paper on Exenteratio Bulbi by Graefe - - - - - - - -	I	21
Does the Curvature of the Cornea Most Resemble an Ellipse? By H. Aubert, - - - - -	II	46
Experiences in regard to the Therapeutic Value and the Manner of Administering Cocaine in Ophthalmology. By B. Wicherkierwicz - - -	III-IV	82
Experimental Researches Concerning the Tuberculosis of the Cornea. By Panas and Vassaux - -	V-VI	124
Experimental Studies on Cysts of the Iris. By F. Hosch	II	49
Four Cases of Diabetic Cataract. By D. Waldhauer -	II	47
Hemeralopia and the Examination of the Light Sense. By Th. Treitel - - - - - -	V-VI	130
Once More Jequirity. By Coppez - - -	IX	208
On Experimental Researches concerning Intra-Ocular Tension. By Hoelzke - - - - -	IX	204
On Movements of the Cones and the Pigmented Epithelial Cells of the Retina under the Influence of Light and the Nervous System. By Th. W. Engelmann - - - - - - - -	II	42

	No.	Page
On the Total Extirpation of the Lachrymal Gland. By Badal	X	225
On the Zonule of Zinn. By W. Czermak	V-VI	130
Report of the Ophthalmological Society of Heidelberg, Germany. By A. M. Montprofit	X	226
Results of the Microscopical Examination of Six Glaucomatous Eyes. By E. Sargent	I	23
